

E449

ICS Train-the-Trainer

Course Description

This course prepares participants to deliver EMI's ICS curricula to include ICS 100, 200, 300, and 400. While ICS 100 and 200 courses are addressed, the major emphasis is on ICS 300 and 400. Prospective students must demonstrate a working knowledge of ICS through experience and/or training and should have previously attended classes in adult education.

Course Length

- 32 hours

Prerequisites

- ICS 100, ICS 200, ICS 300, ICS 400, IS 700 and IS 800. NOTE: Students must have taken the Emergency Management Institute, US Department of Agriculture, National Fire Academy or National Wildfire Coordinating Group ICS courses. Other ICS course will be reviewed for consistency with the ICS objectives prescribed by the NIMS Integration Center.
- Participants should have worked as IC, command or general staff positions on

incidents that went longer than one operational period or involved a written action plan and involved multi-agency coordination.
